LIMITATION OF LIABILITY: DO NOT PLATE OR ENGRAVE THIS FILM / FILE WITHOUT PROPER INSPECTION Upon receipt of film, plates, cylinders and proofs it is the Printer's obligation to ensure that all items received match the signed proof. If errors are found (i.e., copy, ink bleeds, dot values), the Printer is to contact Separator. Southern Graphic Systems will be responsible for one complete set of final 1-up positive or negative film per item, or one complete set of printing plates per item. If final inspection requires destruction it is the responsibility of the Printer to supply final destructions in writing to Separator upon approval of proof. It is the Separator and Printer responsibility to insure accuracy of distorted materials to Southern Graphic Systems approved proof. Southern Graphic Systems assumes no liability for the accuracy of these materials. The Printer (unless SGS provides this service) is responsible for all imposition and platemaking associated with any given project (litho/Flexo/Gravure).
